Asbury Child Development Center must have the paperwork by April 28, 2005. This needs to be turned into the CDC office. If the school does not receive the forms by this date your child may not be able to participate in the program. Also, for those children already enrolled in the program, you may break the registration fee, curriculum fee, and field trip fee payments up in two equal payments. If you have more than one child in the program, you may make three equal payments. However, the first partial payment needs to be made when you register your child in February. **All fees must be paid by March 31, 2006.** Applicants that are enrolling for the first time must pay their fees at the time of registration. Please pick up your paperwork and the new Asbury CDC Parent Handbook in the CDC Office.
